PRICE, THREE CENTS

Winners Announced in Homes Contests

214 Participated in Contests;
2000 View Exhibits
in Week.

EXHIBITORS NUMBER 70

That Narberth's participation in Better Homes in America Week was a success may be judged by the fact that over 2000 people visited the exhibits at the Community Building and 225 Essex Avenue during the week. The Community Building was most attractively decorated by Frank Stiefel and the house at 225 Essex Avenue was furnished throughout, with the exception of one room, with furniture reconditioned by the owners. Seventy different exhibitors took part, fifty of them being private citizens, the remainder local merchants.

The contests also evoked a genuine interest on the part of citizens, 214 of whom participated. The baby show on Monday afternoon, one of the first events of the week, was attended by ninety-five adults and seventeen babies. The prize-winners were as follows: Health contest: Up to 6 months of age—First prize, Howard Cotter III; second prize, Juleddell Rickert. 6 months to 1 year—First prize, Robert Conrad Hoffman; second prize, Jane Perkins Duncan; third prize, Shirley Peters. One year to 2 years—First prize, Margaret Anne Potter; second prize, Barbara Elizabeth Schmidt; third prize, Betty Hobbs. Fancy dress parade—First prize, Rosetti twins; second prize, Mary Olive Bates; third prize, Mary Allen.

The winners of the garden contest conducted by A. E. Wohler, which had thirteen entrants, are as follows: First prize, Robert Beatty; second prize, R. F. Wood; third prize, A. W. Fredericks.

In the living room contest, which seven participated in, the winner of the first prize was Mrs. A. W. Fredericks. Second prize in this contest went to Mrs. Robert Dothard, and third to Mrs. William J. Kirkpatrick.

The cellar contest, of which Fire Chief Charles V. Noel was judge, had four entries. First prize went to Clarence Woolmington and second prize to Arthur Pursell.

The "Last Minute" contest arranged for school children who were too late to enter the regular school contest was won by Alexander Loos with an airplane. There were seven entries in this contest.

Fourteen kitchens were entered in the contest under that name conducted

Lower Merion Easily Wins From Abington

Lower Merion Senior High School took an easy game from the Abington High baseball team Tuesday afternoon on the local's diamond. The Maroon won the game, 10 to 0. Keith Parks kept the visiting players off the sacks practically throughout the contest.

On the defensive, Henry Gane and Kent Boutillier did quite a bit of work, the former turning in some flashy bits of fielding at shortstop, followed by accurate throwing to Taylor at first. Very few of the others had any work to do, as Parks struck out the side twice during the contest and managed to whiff enough in every inning to make Grove's strikeout record look small.

Kent Boutillier, Alfred Tate, Charles Haskell and Parks did some heavy hitting, and every member of the team got at least one safety, with the exception of Elmore and Gane. Taylor hit two long ones that would have gone for extra bases if Abington's centre fielder had not chosen to play out of the lot for him.

Coach Snodgrass, as usual, protested the game in the early innings of the contest, but as the score was one-sided, decided that it wouldn't help matters any. His dispute was over a play at third base, when his man overslid the bag. He was correct in his opinion that his man should have been declared safe, as the bag did not have two spikes in it as the rules demand. The umpire, however, did not see it that way. That decision had no bearing on the ultimate score of the game.

Upper Darby High defeated the Haverford College freshmen track team, 71 2/3 to 36 1/3, at Walton Field, Haverford, Tuesday.

Present Play

Those who enjoy good theatrical entertainment and at the same time are not adverse to lending their support to a good cause may do both in a very agreeable fashion by attending the play to be presented at Elm Hall tonight and tomorrow night at 8:15 o'clock for the benefit of the Narberth Fire Company. The play is entitled "More Husbands" and is a companion play to "More Wives" which was relished by many last year. Tickets may be had from any member of the Fire Company or at the door.

Green Chosen New President of Rotary

Narberth Attorney to Succeed
Guy Croyle at Club's
Helm.

ELECT OTHER OFFICERS

W. Russell Green, Narberth attorney, was chosen president of the Bala-Cynwyd-Narberth Rotary Club at its recent election of officers. He will succeed Guy Croyle, of Merion, as head of the organization.

Mr. Green was recently a candidate for the office of commissioner from the General Wayne district in Lower Merion township, but withdrew his petition, as did his opponent, in the interests of party harmony. He is the commander of the Harold D. Speakman Post, American Legion, of Narberth.

Dr. William F. Martin, of Cynwyd, was chosen vice president of the club and William H. Fowler and William H. Decker were re-elected secretary and treasurer, respectively. Two new directors were also elected, J. Bedford Wooley, Cynwyd architect, and Ralph S. Dunne, Narberth coal dealer. Philip A. Livingston was elected to a newly-created position, that of editor of the club bulletin.

Installation of officers will take place at the first meeting in June.

Reports of the recent Rotary convention at Allentown in the form of five-minute talks occupied the meeting of the club on Tuesday. W. Russell Green spoke on club service; J. Bedford Wooley on International Relations, and Dr. Hoffman on the banquet. The meeting was in charge of the Fellowship Committee of which Charles Aldred is chairman.

Ernest Henry returned to the club at this week's meeting after a prolonged illness.

Main Line Banks Start Charge Plan

Building Up of Checking Accounts to \$100 Has Been
Encouraged.

The Banks of Ardmore, Narberth and Bala-Cynwyd inaugurated a carrying charge plan for checking accounts whose average daily balances are under \$100, on May the first.

The bank officials state that rising bank costs, expenses of check books and pass books, and expenses of the detail work necessary to put a great many small checks through the banks, are the reasons for this carrying charge. Accounts whose average daily balances are under \$100 do not earn their own way, and therefore cause a very sizeable monthly loss to the banks. The \$1.00 charge, which is to be applied to such accounts as of May 1, is made to offset this monthly loss and is in no way designed to increase the revenue of the banks.

The banks are encouraging their depositors with checking accounts under the minimum amount to build up their accounts so that they will pay handling expenses without necessitating a charge. They point out the convenience of a checking account and the advantages of having an account of sufficient size to meet any emergencies. The plan has met with approval on the part of the majority of depositors.

The plan was put into effect on May 1 by the following banks: The Merion Title and Trust Company, Ardmore National Bank and Trust Company, Counties Title and Trust Company, The Narberth National Bank, The Bala-Cynwyd National Bank.

Rally Brings Better Homes Week to Close

Awarding of Prizes, Address
and Other Features in
Program.

CO-OPERATION IS SHOWN

Better Homes Week in Narberth came to a fitting end on Saturday night at a community rally and prize award in Elm Hall. The occasion was remarkable as celebrating the extraordinary unity and co-operation that marked the whole week's enterprise. More than twenty-five organizations, including every public and private civic, educational and religious body in the borough, was represented on the program directly or by proxy. Each gave a word of greeting, indicating its own interest in "Better Homes" and its satisfaction in working with the other organizations for the good of the borough.

Prizes, as announced in another column, were awarded by the chairman of various contests, and were accepted by the fortunate winners. A brief but stimulating address by Joseph H. Hagedorn, of Philadelphia, was a feature of the program. He stressed the importance of the home to the community, and of the community to the home, and the need for the development of truly active relations between the two, with emphasis upon the development of spiritual and religious feeling and ideals, as the foundation of both "better homes" and "better community."

Miss Juliet Shaw, of Narberth, added greatly to the enjoyment of the evening by presenting four pleasing solo dances, in costume. They represented "The Sailor's Hornpipe," the "Southern Belle" and a "Russian Waltz." Miss Margaret Perry acted as accompanist.

The evening began with the singing of "America" and closed with one stanza of "Home, Sweet Home," in which the audience heartily joined, bringing to its culmination one of the most remarkable community celebrations in the history of Narberth.

Mrs. Eberhardt Mueller, to whose active and intelligent leadership much of the success of the week is due, promptly gathered her cohorts for the final task of dismantling and distributing the remarkable exhibits shown throughout the week at the Community House and at the Better Homes Exhibit House, at 225 Essex Avenue, which had been visited by hundreds of local residents and many others from Monday afternoon till late Saturday night.

Play Penn A. C. Saturday in Practice Game Here

The Narberth Baseball Club will engage the Penn A. C. in a practice game on the playground. Saturday afternoon at 2:30. The season's unofficial opener sees the Narberth Club with its lineup undecided upon due to the number of new men. It is expected, however, that Durbin and Yocum will do part of the mound work for Narberth against the Pennacs who took two closely-played games from the Main Line League champs last year.

Football jerseys were given to all seniors who were members of last season's football team at the Lower Merion High assembly Tuesday. This is the usual custom at the Senior High School.

Score of Narberth Boys to Compete in Finals of Boy Week Contests Tomorrow

Considerable athletic prowess was shown by the youth of Narberth at the Boys' Week Track and Field events held on the Community Playground on Monday afternoon. The contests were conducted by C. H. Woolmington, of Narbrook Park. During the course of the afternoon Edward A. Carlson, president of the Main Line Boy Council, and Harvey J. Harmon, general athletic chairman, arrived on the scene to look over the borough's talent and expressed themselves as well pleased with the way things were going.

The winners of the Narberth contest will participate in the finals to be held at Lower Merion High School tomorrow at 2 P. M. The winners of the local contests grouped according to classes are as follows:

Class C—Boys 6 to 8 years. Baseball throw: First, Roger Graham, 511

'Home Orchestra' Pleases in Recital

Makes First Public Appearance
on Better Homes Week
Program.

PLAY VARIED PROGRAM

Better Homes Week "Music Night" provided a memorable entertainment for an audience that gathered in Elm Hall to hear a "public rehearsal" of the Home Orchestra of the Van de Wall family of Allentown, which made its first appearance on that occasion. Introduced by an interesting and witty talk by Dr. Van de Wall, suggesting some of the ways in which music can be made interesting and helpful, both as a factor in the training of children and as a contribution to home life, the curtain rose upon a real home scene, with a charming little family of four children and their mother seated about the piano awaiting the word to begin the musical hour.

First on the program were three simple little numbers, including a delightful Scherzo of Schubert's, in which only instruments of percussion—drum, cymbals, castagnets and the like—were used, bringing out, against Dr. Van de Wall's piano accompaniment, the beauty of pure rhythm.

Then the orchestra became the "Hollandia Symphony," presenting in more elaborate form, but still with delightful simplicity and lack of self-consciousness on the part of the children, some of the familiar folk-melodies and old classics. In this part of the program a number of charming solos and obligatos were presented by Minnie, a nine-year-old; Blanca, 12; Roeloff, 14, and Wasili, 16, which, with Dr. Van de Wall's contagious enthusiasm and lively wit, quite captured the hearts of the audience. At the end of this section a surprise was uncovered, when Dr. Van de Wall, introducing a local guest, produced a tempestuous piano duet, a "Galop" in the nineteenth century style.

Several choral numbers, including a Gregorian Chant, in which the whole family joined, composed the third part of the program which was brought to a close by two very modern jazz numbers, "Deep Night" and "Weary River," arranged by Dr. Van de Wall for the little orchestra against the background of Orthophonic Victrola records, a novelty that proved a fitting finale for the evening's entertainment.

It is safe to say that the program, unique in its character, will not soon be forgotten by those who heard it. The Better Homes Committee is deeply indebted to Dr. Van de Wall, Mrs. Van de Wall and their children for their very generous contribution to the enjoyment and benefit of the week. They are also indebted to the Shryock Company for the Victrola, which was kindly provided for the occasion, and to the Ditson Company, of New York, for lending a remarkable portable organ, which was used in many ingenious ways throughout the evening. The Community Club contributed the use of its piano and furniture, and numerous citizens added to the enjoyment of the occasion by helping to complete the furnishing of the stage "living room."

The Senior High tennis team journeyed to the neighboring borough of Lansdowne Monday afternoon and took lessons in the art from Lansdowne High. Lower Merion lost, 5 to 0.

President of Board

Dr. Leroy A. King, Narberth school board secretary and professor of education at the University of Pennsylvania, who was chosen president of the Recreation Board Tuesday night. He succeeds Colonel I. A. Miller as the Board's spokesman.

Officers Nominated by Fire Company

Re-election of Present Officials
Headed by T. B. duMarais
Is Assured.

SHOW NO OPPOSITION

The membership of the Narberth Fire Company again evidenced its approval of the officers of the company by unanimously renominating them for office at the annual nomination on Tuesday night. Inasmuch as there were no opposing candidates their election at the May meeting of the Fire Company is assured.

The slate therefore reads the same as the present list of officers: President, Tristan B. duMarais; vice president, Edwin P. Dold; treasurer, George B. Suplee; secretary, James Frazier Purse; financial secretary, Robert Mueller; chief engineer, Charles V. Noel. James F. Purse was also nominated for the position of trustee, which he now holds.

The trustees of the Fire Company are five in number. They are: Daniel Leitch, chairman; J. A. Miller, William Newborg, James Purse and Taylor Henry.

Active steps are being taken by the chairman of the Membership Committee, Frederick Egmore, to increase the membership of the Fire Company, particularly on the north side where it is not as solid as on the south side. It has been the chairman's experience that when the case for the Fire Company is properly explained to citizens of the borough that they are only too glad to show their support by becoming a contributing member.

Boys to Run Boro For Hour Today

Will Be Climax to Boy Week
Activities in
Narberth.

As a fitting climax to Boy Week Narberth boys will run the borough for an hour by occupying the various offices this afternoon and evening. Police Sergeant Thomas Hawthorne will be on duty from 4 to 5 this afternoon and in the evening the remainder of the boy officers will be sworn in.

Vestus Spindler, Jr., will occupy the office of Burgess, and will be Burgess in act as well as name during his hour of office. Gordon Wolf will act as understudy to Charles V. Noel, usurping Charley's helmet which reads "Chief" for an hour. Robert Hutchinson will act as assistant chief.

Council will be composed of the following: Hugh B. Speed, Jr., president; Donald Martin, Richard Wentz, George Schroeder, Arthur Wright, Charles Mason and Millard. Jay Thomas will act as Borough Treasurer and Thomas Dunlop as secretary of Council.

Inasmuch as Council does not meet on Friday nights it is not expected that the boy council will be overworked. The police sergeant, Burgess, fire chief and assistant fire chief will have very real jobs on their hands, however, and it is likely that they will have considerable more knowledge and understanding of the work and problems of these officials after their term of office is over.

King Elected Head of Recreation Board

Burgess Re-organizes Board, Ap-
pointing Pray and Fretz
to Vacancies.

LOOK INTO FUNCTIONS

Dr. Leroy A. King was elected president of the Recreation Board at a reorganization meeting of that body called on Tuesday night by Burgess Henry A. Frye, thereby succeeding his former colleague, Colonel I. A. Miller as its spokesman. Two new members also took their seats for the first time on the board: Kenneth L. M. Pray and John R. Hall.

Mr. Pray represents the School Board and takes the place made vacant automatically by the resignation of Colonel Miller from the School Board in March. Mr. Hall, who was appointed temporary secretary, takes Councilman Clarence Kaerber's seat on the board. In view of the increasing interest throughout the borough in the recreation problem, Mr. Kaerber felt that the post of secretary should be filled by someone with more experience in that field and a more intimate knowledge of its problems than he possessed.

The Baseball Club was granted the privilege of the grounds at the Community Playground according to the terms of the agreement of 1927 and 1928.

A committee consisting of K. L. M. Pray and William H. Fretz, with the Burgess a member ex-officio, was appointed by Dr. King to investigate the functions, duties and purposes of the Recreation Board and also its interrelations with the School Board and with Council.

As spokesman for the board Dr. King said: "I propose to get at the whys and wherefores of the whole thing and see just where we stand. Apparently in the past the board has acted merely as a custodian of public properties (the playground and Community Building). While it has no money of its own to spend, it has been accountable for the expenditure of public funds. It shall be the object of the special committee to ascertain if the purpose of the Recreation Board is to see that public properties are utilized to their fullest extent for recreational purposes by all the citizens of the borough, and if so, how this may be accomplished."

Women's Community Club Holds Election of Officers

The annual election of officers of the Women's Community Club on Tuesday, April 30, for the coming year was attended by more than three-quarters of the entire membership. The following officers were elected: President, Mrs. W. Russell Green; First Vice President, Mrs. J. D. Hongler; Second Vice President, Mrs. W. C. Newman; Recording Secretary, Miss Margaretta Runyon; Corresponding Secretary, Mrs. J. L. Rickert; Treasurer, Mrs. E. H. Cockrill.

The program for the day was furnished by club members—the two singers who were so much enjoyed on the club radio program—Mrs. T. Noel Butler and Mrs. Arthur Staples. They sang two duets from Mendelssohn and Mrs. Henry Frye in her monologues gave a fine character sketch of a little Belgian girl who called herself the girl who can laugh at life. A one-act play called "Joint Owners in Spain," the scene of which was laid in an "old ladies' home," the characters being the supervisor of the home and two of the inmates. Mrs. Frye took the parts of the several characters, changing her facial expressions to suit the character portrayed.

Mrs. W. C. Newman, Chairman of Literature, announced a gift of \$25 to the Narberth Library for the children's hour.

Mrs. F. Parker Miller, chairman of Sub-Juniors, spoke of their gift of \$5.00 to the library. The club members were urged by Mrs. C. A. Farmer to remember Flowerless Philadelphia with flowers this summer. Mrs. Milton Alexander was hostess of the tea hour.

Plan Final Concert

The fourth and last concert for this season by the Main Line Orchestra, Adolph Vogel, conductor, will be given on Tuesday evening, May 21, at the Junior High School in Ardmore. Mildred Whitehill, pianist, will be the soloist.

OUR TOWN

Bryn Mawr Hospital Only One in Nation to Give Free Medical Records Training

Bryn Mawr Hospital has gained the distinction of having the only tuition free Medical Records Training Class in the United States conforming to standards laid down by the American College of Surgeons. The American Medical Association and the State Board of Medical Education and Licensure.

The Bryn Mawr Hospital Medical Records Training Class has been in existence little more than a year, but in that short time has had calls upon its service from all parts of the United States as well as from Canada and Hawaii; from hospital superintendents taking up seriously the standardization of hospital record rooms; from nurses, dietitians, laboratory and X-Ray technicians desiring to add record room technique to their equipment for small hospital work, and from others.

Bryn Mawr Hospital is the only hospital to offer tuition free, a practical working course of six months, including hospital procedure, medical lectures, medical nomenclature, record room work according to an approved system, and an associate course in a second hospital—a selected group of Bryn Mawr students being accepted at Johns Hopkins Hospital in Baltimore for a comparative study of records there.

Twelve young women are in training at Bryn Mawr at this time under the direction of Miss Frances Benson, secretary of the Medical Records Department of the institution. Miss Benson is also National Secretary of the Association of Record Librarians, and Corresponding Secretary for the State of Pennsylvania Association. She was also instrumental in organizing the Philadelphia Association of Record Librarians.

Those enrolled at Bryn Mawr are: Miss Dorothy Corson, 212 South Fifth Street, Philadelphia; Miss Mary Mogee, 19 Oaklane Avenue, Oakmont; Miss Ada Sinclair, Boston, Mass.; Miss Frances Daly, 415 Beechtree lane, Wayne; Miss Louise Suddards, Lancaster Avenue, Wynnewood; Miss Eleanor Winters, Montgomery Inn, Bryn Mawr; Miss Louise Harris, Winchester, Va.; Miss Gwen Franklin, 2013 Upland Way, Overbrook; Miss Frances Bartlett, 924 North Sixty-third Street, Philadelphia; Miss Katherine Morgan, Haverford Gables, Haverford; Miss Edna Rosser, 913 Norwegian Street, Pottsville, and Miss Hazel Schmid, 4725 Chester Avenue, Philadelphia.

The work at Bryn Mawr Hospital is admittedly foundation work, fitting the student not only for standardized record room work, but for positions in hospitals, clinics, specialist's office, or any place where medical records are kept. Of the students that have graduated from Bryn Mawr, two have entered city hospitals on equal footing with record clerks of years' service; two more are at Johns Hopkins, one specializing for a position as medical librarian, and the other as secretary to the editor of a medical publication. Two others have chosen "Out Patient Department" work.

The student is given actual participation in hospital routine. The first month they are assigned to the Out Patient Department, the second to the laboratory, the third to prenatal and other clinics and the last three months are confined to actual record room work, with attendance to medical lectures, and class study on disease classification and nomenclature. The lectures attended are the same as those attended by the nurses in the Nurses' Training School of the hospital.

At a recent meeting of the Philadelphia Record Librarians' Association, it was voted that Bryn Mawr Hospital prepare a Record Librarian's Registry. This will be the first registry of its kind in the country. Great things are expected of the Medical Records Training Class of Bryn Mawr Hospital in the future. It will be housed in the new hospital building in the near future, where its scope will be larger, with more classes, more clinics, more students and a modern medical library.

NARBERTH 2937

Question

Why go to Philadelphia for a new or re-roof job when we compete with Philadelphia every day?

Why give the re-roof job to the city concern when you can have a neighboring roofer conveniently near? We do all small jobs of repairing—also large jobs.

Will the out-of-town concern call cheerfully to do the \$3.00 job? Why give them the \$300.00 job?

Why have we done roofing and sheet metal work for most of Narberth's newest buildings (banks, theatre, town hall, etc.)?

Letter to Editor

THANKS SUPPORTERS

To the Editor of Our Town:

As chairman of the Narberth "Better Homes in America" Committee I wish to thank all who participated and helped so ably with the campaign April 21-27.

The ministers who opened the week so auspiciously, the Board of Advisers, directors, chairman and officers; those who loaned articles, the women who helped earn the money to finance the movement, the men and women who so willingly gave their time and attention to explain the exhibits, and those assisting with the programs—to all these I extend my thanks and assure them I appreciate their help. The co-operation of the organizations, the churches and friends, made the "Better Homes" Week the success it was.

As it is impossible to thank those assisting personally for their aid, I take this means to show my appreciation of their support.

Signed,

MRS. EBERHARDT MUELLER.

THE TREE

Plane-Trees

Plane-trees are very commonly seen along city streets. One of these, the so-called Oriental plane, or London plane, is more abundant in many cities and towns than any other single species of trees. Philadelphia, with its block after block of this tree, is a good illustration. Narberth has many of the trees. In all, there are six species of plane trees, but a small remnant of a very large representation of the genus during earlier geological eras, when plane-trees went north to the Arctic and were abundant throughout North America, Europe and Asia. The plane tree is also known as the buttonwood or buttonball tree from the characteristic round fruit balls which hang on the trees through the winter, dropping to the ground about the 1st of March. Another common name is sycamore tree, from the resemblance of the leaves to the sycamore maple, a European maple, fairly common with us. This maple, in turn, received its name from the true sycamore (Ficus syriacus), a fig from Asia Minor. During the Middle Ages the sycamore maple, with its dense shade, was chosen for use in sacred dramas to represent the tree which Zacharias climbed.

Our native sycamore (Platanus occidentalis) is a large, open, spreading, quick-growing tree, which thrives best along creeks and rivers. It is in such wet places that one may find specimens 125 feet high and ten to fourteen feet in diameter of the trunk. The leaves of this western hemisphere representative are indistinctly lobed with shallow indentations. The fruit balls are solitary usually. The habit of shedding its outer bark in large flakes, leaving the new white bark showing in large patches, makes it a conspicuous tree wherever grown. The bark is so shed in other species. On account of its massive size the western plane is not well suited for street planting, although seen occasionally. A fungus commonly attacks the leaves during the late summer, giving the tree rather an unsightly appearance.

The true Oriental plane (Platanus orientalis) is never seen with us as a street tree since it requires a milder climate. Its native home is Asia Minor. The leaves of this species are deeply lobed and the fruit balls are in clusters of three (or more). The very common so-called Oriental plane, or maple-leaved plane, or London plane (Platanus orientalis var. acerifolia) is well adapted for city and park planting. By some it is considered a variety of the true Oriental, or more probably it is a hybrid between the western and the eastern species. The leaves of this form resemble both the Occidental and the Oriental species, some trees favoring the former and some the latter parent. On the same tree of this hybrid one may find great variation in the leaves. The fruit clusters are usually in twos, another intermediate condition between the two parental species. The London plane is really very, very common in London. From its abundance it might be named appropriately the "Philadelphia Plane." This tree will grow under the most adverse conditions and it will stand pruning well. An objection to the London plane is its great size for the average street. Even in Narberth one can find specimens of this plane or sycamore or buttonwood that are entirely too large for their cramped surroundings.

The FIRESIDE

Mules Lick Battlers; Are Season's Champs

In the play-off last Friday evening to determine the champion for the year, the Methodist Mules nosed out the Baptist Battlers in one of the most exciting matches of the season in the Interchurch League. In the first game the Mules managed to win by ten pins, while in the second the Mules took loose and sunk the Battlers by 190 pins. The Battlers rallied and won the last two games, but fell short of the Mules' total by four pins. One point was scored for each game won and one for the total number of pins. Since both teams won two games it was the total pin score that decided the winner. The box score follows:

Points of Great Importance in the Selection of Buckwheat Coal

1. Low ash content.
2. Careful preparation at the mines.
3. High fusion point.

ALL Coal should be selected carefully, but Buckwheat especially, because Buckwheat is used either in a Spencer Heater, or with forced draft by Blower equipment, or with the Electric Furnace Man,—where the ash, preparation, and fusion point are major considerations in producing the desired results,—namely, uniform heat, absence of clinkers and low operating cost. Jeddo-Highland Buckwheat meets all these requirements as is shown by the following analysis:

BUCKWHEAT	
Moisture Dried at.....	212°F
Fixed Carbon.....	88.10
B. T. U.'s.....	13,578
Ash.....	8.29
Fusion Point.....	3025°F.

L. M. Girl Swimmers Win Meet by Point

Win From Radnor, Haverford
High and Upper Darby
in Thriller.

MECKE CUP FOR VICTORS

Lower Merion High Girls' swimming team, already champions of the Delaware County League, upheld their titular honors by the slight margin of one point in the most closely contested quadrangular meet ever held at the Central "Y" pool, Philadelphia. The final scores were: Lower Merion, 19½; Haverford High, 18½; Radnor, 17½; Upper Darby, 16½.

Miss Hazel Palmer, although not up to her recent performances, rescued the meet for Lower Merion by tallying 11 points for her team and by coming from behind to win the 100-yard relay. In the latter event Lower Merion was in fourth place, trailing the field by five lengths, when Miss Palmer skimmed through the water to nose out Radnor High for third place and the needed point to win.

Radnor High possibly would have won the meet had it not been for an odd circumstance in the first heat of the 25-yard dash. In a swim-off for second place between Marguerite Adams, Upper Darby, and Eleanor Boyle, Radnor, the former won. The result probably prevented Radnor from placing in the finals of this dash. Miss Adams thrilled the spectators when she finished ahead of Hazel Palmer in this event. On the whole Coach Madeleine Uff's team was fortunate to take the meet.

Haverford High naiads, a gallant bunch all season, for they are handicapped by not having a swimming coach, succeeded in garnering three top honors. Ardis Bowen, Haverford, was first in diving. Marion Coward and B. Morrison won the double crawl, while the Haverford relay quartette snapped to victory in the 100-yard event for the other two wins. Edna Dougherty, Mary Truitt, Captain Maude Hughes and Betty Maris were timed in 1 minute 11 seconds and were so elated over winning they hugged and kissed one another when it was all over.

Miss Leety, first in side stroke for form, and Marguerite Adams, dash victor, gave Upper Darby High two honor places. Radnor High added first in crawl stroke for form, which was won by Captain Jane Oliver, and tied for first in diving and back stroke for form. So each of the four managed to show superiority in some events.

No date has been set when Lower Merion High will formally receive the league trophy which has been donated by J. Howard Mecke, Jr., Colonial Village, Wayne. Mr. Mecke has placed the cup in competition this year for the first time. The school first getting three legs on it wins the cup permanently. It stands 30¼ inches in height and has the figure of a diver embossed.

25-Yard Dash—Won by Marguerite Adams, Upper Darby High; second, Hazel Palmer, Lower Merion; third, Betty Maris, Haverford. Time, 15 seconds.

Back-stroke for Form—Tie between "Bunny" Holt, Lower Merion, and Rosalind Fried, Radnor; third, tie between Miss Dodds, Upper Darby, and Anne Morris, Radnor. Points, 8.5.

Side-stroke for Form—Won by Miss Leety, Upper Darby; second, Diane Pugh, Lower Merion; third, Jessie Hale, Haverford. Points, 8.5.

Crawl stroke for Form—Won by Jane Oliver, Radnor; second, Hazel Palmer, Lower Merion; third, Maude Hughes, Haverford. Points, 9.

Tandem Crawl—Won by Marion Coward and E. Morrison, Haverford; second, Misses Bricker and Shepperd, Upper Darby; third, Eleanor Boyle and Betsy Boles, Radnor. Time, 12 seconds.

25-Yard Back-stroke—Won by Hazel Palmer, Lower Merion; second, Zannie Moore, Radnor; third, Mary Truitt, Haverford. Time, 19 2/5 seconds.

Diving—Won by Ardis Bowen, Haverford; second, Eleanor Boyle, Radnor; third, tie between Helen Main, Lower Merion, and Muriel Boyce, Haverford.

100-Yard Relay—Won by Haverford High (Misses Dougherty, Truitt, Hughes and Maris). Time, 1 min. 11 seconds; second, Upper Darby; third, Lower Merion.

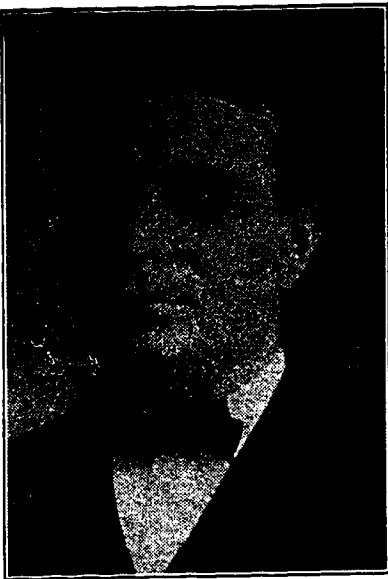

Hedgerow Theatre Gives 'The Devil's Disciple'

The third play of the Hedgerow Theatre's 1929 season at Moylan-Rose Valley will be that delightful bit of whimsicality, "Mr. Pim Passes By," from the pen of A. A. Milne. "Mr. Pim" is scheduled for presentation on Thursday evening, May 2. The cast for Thursday includes Gretchen Smith, Isabel Murdock, Sue Platt, Jean Swedell, William Price, Harry Bellaver and Ted McKay. "Mr. Pim" was first presented by the Hedgerow Theatre on September 27, 1923, and has been performed thirty-two times since.

On Friday night, May 3, Hedgerow will present "The Devil's Disciple," by George Bernard Shaw. This marks its first new play for this season and the fifty-seventh play in its repertoire, which already includes six other Shaw plays.

On Saturday night, May 4, O'Neill's "Beyond the Horizon," will be given its second performance of this season with Ferd Nofer, Dudley Vaughan and William Price in the leading roles.

Renominated

Tristan B. duMarais, president of the Narberth Fire Company, who was renominated for office without opposition at the April meeting of the company on Tuesday night. Mr. duMarais has been associated with the Narberth Fire Company since its founding thirty-two years ago.

Winners Announced in Homes Contest

CONTINUED FROM THE FIRST PAGE

by Clarence H. Woolmington. First prize of \$5 was awarded to Mrs. Albert W. Fredericks, 432 Haverford Avenue. Second prize (\$3) went to Mrs. J. W. Hagerty, 149 Merion Avenue, and third prize (\$2) to Mrs. A. G. Follette, of 222 Wayne Avenue. First honorable mention was made of Mrs. Frank Stiefel, 305 Woodside Avenue; second honorable mention, a tie, to Mrs. George N. Gill, of 216 Dudley Avenue, and Mrs. Arthur Goldsmith, 1121 Montgomery Avenue.

In the reconditioned furniture contest, which boasted fourteen entrants, first prize was won by a high chair owned and done by C. H. Woolmington, of Narbrook Park. The award in this case was for workmanship. Second prize was given to the chest of drawers, mirror and chair owned by Musser Moore, of Grayling Avenue, for workmanship and decoration. Third prize was for a waste basket, entered by Thaddeus L. Bolton, of Wayne Avenue. Accuracy in workmanship was the deciding factor in this case.

The school contest proved the most popular of the lot, 100 children entering it. The exhibits were divided into three groups: Home economics, art, manual training. Prizes in the home economics group were awarded as follows: Eighth grade—Dresses: First prize, Edith Patton; second prize, Mary Phillips; third prize, Anna Maston. Seventh grade—Pajamas: First prize, Jean Havelick; second prize, Edith Schroeder; third prize, Belle Lippincott. Sixth grade—Cooking aprons: First prize, Lois Sherwell; second prize, Elinor Weld. Art contest: First prize, Frieda Roessler; second prize, Harwood Loos; third prize, Peggy MacGuffin. Manual training group—Shopwork: First prize, Mahlon Rogers; second prize, Thomas Dunlop; third prize, Alexander Loos. Applied Art: First prize, George Schroeder; second prize, William Swan; third prize, Doris Wesper.

The library's part in Better Homes Week was no small one. A story hour was held at Elm Hall on Thursday afternoon, which despite heavy rains, was attended by forty-two children. Two contests were also held. In the first for the best collection of objects made from paper, wood or other material twenty-one collections were submitted. First prize was awarded to Betty McConnell, of Merion Avenue, for a doll's house and furniture. Second prize went to Shirley Vincent, of Windsor Avenue, for a collection of articles made by folding paper. Third prize for a Japanese doll collection was won by Olive Bates.

Fourth prize was awarded to Ingeborg Thaysen for a calendar, needlework and flower-holder collection. The second contest was for pictorial maps illustrating the following subjects: "Reading my way around the world, reading my way across the United States, reading my way through Europe." Seventeen maps were submitted, and the prizes were awarded as follows: First prize, George Schroeder; second prize, Edith Schroeder; third prize, Dorothy Abbott; fourth prize, Belle Lippincott.

One of the popular attractions at the Community Building was a section of a model community built entirely by the decorator of the building, Frank Stiefel. In the set were four houses, tennis courts, putting greens, a novel feature being the garage under the tennis courts, with an incline drive.

Still Seek Coadjutor

Clergymen and laymen from Main Line Episcopal churches will attend a special convention Monday for election of a Bishop Coadjutor for the Diocese. Before this and the regular Diocesan Convention to be held Tuesday, Holy Communion will be celebrated at 9.30 A. M. at Holy Trinity Church, Philadelphia, where the meetings will be held.

Meet on Monday

The Women's Foreign Missionary Society of the Methodist Episcopal Church will meet on Monday, May 6, at 2:30 o'clock at the home of Mrs. A. J. Bawden, 1 Woodside Avenue. Mrs. Springer, the west district secretary, will be at the meeting which members are urged to attend.

General Motors Crash On Very Wet Sunday Causes Oakland Exit

Blissful enjoyment of a wet Sunday was marred for four motorists when they ran into the clutches of Lower Merion police last week-end. For leisurely ambling down the middle and both sides of Lancaster Pike in Wynnewood, James Nicholl, who gave his address as Bryn Mawr, was taken to Ardmore police headquarters at 2 P. M. He and his passenger, Joseph Callahan, of Philadelphia, were each held by Magistrate Franklin P. Kromer under \$500 bail for County Court on charges of transporting intoxicating liquor and driving while under its influence. A bottle containing the fluid was found in the car.

Two hours later, on Lancaster Pike at Church Road, a week-old Oakland car owned and driven by Allen J. Frankenberger, Cedar Street, Philadelphia, was demolished when a Chevrolet, more or less driven by J. L. Kirby, of Littleton, Pa., strayed across the pike and engaged it in head-on combat. Frankenberger's passenger, Jacob Updegraff, of Cedar Street, Camden, was taken to Miseriordia Hospital suffering injuries in the face, arms and legs. Kirby's passenger, Hillery Parker, of Littleton, had his left ear almost severed, and had twenty stitches taken in it at the Bryn Mawr Hospital. Both Kirby and Parker were held, Parker under \$500 bail for possession of liquor found in the car, and Kirby without bail, charged with transporting liquor, driving while under its influence, and also assault and battery by automobile.

Federation Announces Garden Day Sale Date

The seventh annual Little Garden Day sale, under the auspices of the Main Line Federation of Churches, will be held on May 21 from 11 A. M. to 7 P. M. on the grounds of the Memorial Building, Bryn Mawr and Lancaster Avenues, Bryn Mawr. Mrs. J. Emmott Caldwell is chairman. The following women have consented to act as chairmen for the different booths:

Rosemont, Mrs. Robert H. Dechert; Bryn Mawr, Mrs. J. Holcombe Genung; Ardmore, Mrs. Kennard Keen; Wynnewood, Mrs. D. L. Schwartz; Narberth, Miss Laura Hopper; Gladwyne, Mrs. William H. Hughes; Attraction for Children, Mrs. C. C. English.

Lunch will be served from 12 to 2. Other features will be pony rides, drives for the children, Punch and Judy, grab bags, etc. In case of rain the sale will be postponed to the following day.

Merion Club Women Star in Tennis, Golf

Women's golf and tennis teams of the Merion Cricket Club, Haverford, enjoyed an excellent week of activity and several important victories.

On Tuesday Merion's 7-0 defeat of the Philadelphia Country Club placed the team in the lead of the first division of the Women's Interclub Tennis League. The Haverford team is composed of Miss Anne Page, Mrs. C. C. Madeira, Mrs. Harrison Smith, Mrs. A. M. Watts and Mrs. John F. Gardiner in the singles, and Mrs. Madeira and Miss Page and Mrs. Smith and Mrs. Gardiner in the doubles.

In a match played at Haverford the Merion Club second team defeated the Bucks County first team, 6 to 1. Mrs. Frank Harper gave Miss Eleanor Colkett Merion's only defeat. Merion winners were Miss Adelaide Jefferys, Mrs. J. Wier Sargent, Miss Esther Daly and Mrs. Ludwig Lewis, singles, and in the doubles Mrs. Sargent and Miss Daly and Mrs. Lewis and Miss Jefferys.

The Merion Golf Club, considered the Huntingdon Valley champions' most dangerous rival, won its third consecutive match, defeating St. Davids 5 matches to 2 at the Merion Club course.

R. P. Scott Takes Over Main Line Dodge Agency

Raymond P. Scott took over the Main Line agency for sales and service of Dodge cars on Wednesday to operate it as an associate dealer of the Thornton-Fuller Automobile Company. The new company will be known as Raymond P. Scott, Inc.

Mr. Scott, who has been manager of the Main Line branch since the appointment of George H. Thornton as secretary of the parent company, is a resident of Ardmore. There will be very few changes in the personnel of the company.

Walter Allen, former service manager of the Thornton-Fuller branch, will be in charge of the service de-

partment of the Scott company.

Samuel S. Thornton, of the Philadelphia concern, resides in Haverford, and Lawrence C. Fuller, of the same company, is an Ardmore resident.

At the present time the Scott company will continue to occupy the spacious quarters on Haverford Road at Ardmore Junction, in Ardmore.

Fellowship Dance Was Jovial Affair

A jovial crowd attended the spring dance at the Merion Tribute House last Friday evening, given by the Young People's Fellowship of All Saints' Church, Wynnewood. It was one of the season's brilliant dance successes. About fifty couples were present dancing to the melodies produced by Bill Clear's Orchestra.

Polly Palmquist, Bill Dohard, Al Blaess, Bob Leitch and Dick Gillis were the committee responsible for the management of the dance. Mr. and Mrs. R. J. Dohard, Mrs. Alice J. Carter and Mrs. H. Gerald Venemann were invited as guests.

Due to the success of this dance, even with the strong competition offered by some of the local schools and other societies, it has been placed upon the books of the Fellowship as an annual affair hereafter.

The next Fellowship function will be the annual banquet the last week in May or the first in June, probably at the Montgomery School. Every one present at the banquet last year will remember the good food and entertainment.

Haverford Beats Stevens and Trims Osteopathy, 1-0

Haverford College defeated Stevens in a baseball game at Haverford Saturday, 3 to 2, when Henderson Supplee permitted the visiting batters but five hits. O'Connor, Stevens' right fielder, was the only man not baffled by Hen's delivery. O'Connor got three of the five hits, including a three-bagger. Haverford's honors were divided. Keech, Ritchie, Kingham, A. Supplee, Longacre, Corson and R. Feroe all hit Braden's shoots for safeties. M. Feroe, only Haverfordian to go hitless except the pitcher, scintillated at shortstop position. He handled five difficult chances and made two putouts.

On Monday, Ken Kingham, in great form, struck out seven men and allowed but two hits to give Haverford College a 1-0 victory over Osteopathy. The game was played at Haverford. The local batters got ten hits, four by Hen Supplee, but were able to score but once in the sixth inning, and that was an unearned run.

Junior High Wins Again

The Lower Merion Junior High baseball team captured its second consecutive league baseball game in its second start. The opponents were Upper Darby boys, and they managed to help the local cause along in the third inning by mixing in several misplays. Lower Merion won, 6 to 3. All of the L. M. runs were scored in this one inning. Thomas, Brubaker, Boutillier, Kreible, Williams and Shillingford came through with hits to make this possible.

Herb Thomas pitched a steady game for the Orange and Black, and his teammates played a steady game behind him.

Give Mite Boxes

Episcopalean Sunday School children from the Main Line presented their Lenten "mite box" offerings Sunday afternoon at Holy Trinity Church, Philadelphia, where they heard talks by Bishop Garland and the Rev. Dr. Charles E. Tuke, chairman of the Diocesan department of religious education. The offering was inaugurated half a century ago by the late John Marston at St. John's Church, Cynwyd, and has grown into a national institution in the church in which all the Sunday Schools participate, until now more than \$3,000,000 is contributed each year through this source to the work of the church.

Sports in Brief

Episcopal Academy appears headed for its third Iterac championship within the year. The team is now tied with Chestnut Hill for first place in the League baseball standings with three victories and no defeats. However, the going may prove rougher than in football and basketball.

J. Howard Mecke, Jr., has presented a cup for the Suburban Interscholastic swimming team for girls. This year Lower Merion has gained the first leg on the cup. It will become the permanent possession of the first school which wins the League championship three times.

L. M. Jr. High Runners Break Record, Haverford-Prefixed Teams Star, Ottey Races Nurmi at Penn Relays

The Lower Merion Junior High School relay team won its race at the Penn relays at Franklin Field last Friday afternoon by breaking the track record for Junior High half-mile events. The time of 1:39 2-5 is better than has ever been done at the Penn relays by any Junior High, Catholic Junior High or High School freshman team. This is the fourth time that Coach Harman's relay team has captured the trophy at the relays. Twice his team was boxed at the start and could not recover the lost ground in time to win, but four out of six starts is good percentage, especially as three of the victories carried new records.

The Senior High team looked good for third place on Friday, but the anchor man lost ground when he slightly hesitated going down the stretch. They did much better on Saturday, however, and came in third after Coach Adam made changes in the order of running.

Captain Young, Taylor, Carl Johnson and Buek ran for the Junior High team, and Rockwell, E. Parks, Cave and Warner for the Senior High.

Ottey Paces Nurmi.

From a local standpoint, a feature of the relays was the splendid and somewhat thankless performances of Tom Ottey, of the Meadowbrook Club and formerly of Lower Merion High School. Splendid, because he finished second in both the two-mile and three-mile invitation events, beating out such stars as H. St. Clair Davidson, Muhlenberg, and Baker, of Ohio State. Thankless, because he was in to pace Paavo Nurmi, one of the world's greatest runners and winner of both events. Nurmi ran the two-

mile invitation events in 9 minutes and 15 2-5 seconds for a new American record.

The three Haverfords—college, school and high school—didn't do half so badly.

Haverfords Do Well.

Haverford College was second in the Middle Atlantic States C. A. A. one-mile relay which was won by Manhattan and Morris, of Haverford, placed third in the discus throw.

Haverford School took first in the Interacademic one-mile relay. Burton, McCrudden, Rainer and Watt ran the mile in 3 minutes 39 1-5 seconds to beat out the Episcopal Academy team.

Haverford Township High placed first in its relay event on Saturday in 3 minutes 40 4-5 seconds and the same team, Albeck, Dilg, Dunn and

Springer, was third in the Philadelphia suburban high one-mile relay on Friday. Haverford Junior High placed third in the Penn suburban half-mile relay.

Villanova was third in the first event of the college relays.

Children's Hospital Continues Drive

Children throughout the country are receiving the benefits of health from the seventy-four years of specialization in the diseases of children which the Children's Hospital of Philadelphia has carried on, according to Miss Susan C. Francis, superintendent of the hospital and former Director of Nursing of the Pennsylvania-Delaware division of the American Red Cross.

Because of the great demand for care of sick children and the necessity for the specialized training of a great number of nurses and doctors in child health work have placed on the facilities of the Children's Hospital, a campaign will be carried on from May 17 to May 27 for a fund of \$1,500,000 to \$3,000,000. To make this fund possible more than 800 of the leading men and women of Philadelphia and vicinity have enlisted as leaders and workers in this campaign, Benjamin Rush, general chairman of the campaign, announced recently.

Each year from 250 to 300 student nurses are trained at the Children's Hospital.

In the past seventy-four years more than 55,000 children have been cared for as patients in the hospital and the number of children benefiting over this period as a result of the training of doctors and nurses reaches a figure thousands of times larger.

Attend Fire Meeting

Representatives of six Lower Merion fire companies attended the annual meeting of the Montgomery County Firemen's Association held last Saturday night in City Hall, Norristown. Joseph B. Allen, of Bryn Mawr, was re-elected financial secretary of the association and H. J. Heaps, of West Manayunk, was renamed an assistant fire marshal.

Companies of this district which sent delegates to the meeting were the Merion of Ardmore, Bryn Mawr Autocar Company, Union Fire Association of Bala-Cynwyd, Narberth and West Manayunk.

Library Exhibits

Its Prize Winners

The Library has on exhibit for a short time two prize-winning entries in its contest for the best collection of objects made according to directions given in a book of recognized merit. The first prize was two dollars and was awarded to Betty McConnell, of Merion Avenue, for her doll's house and furniture made according to plans suggested in "What Shall We Do Now?" by Dorothy Canfield, a book in the children's department of the Library. The well-designed house, with its landscape gardening, its beautiful curtained windows and its artistic furniture, was a centre of interest at the Library's table in the Community Building during Better Homes Week. The fine workmanship which omitted no detail from the hall lamp to the kitchen gas range very justly won for the collection the first award.

The second prize, and a very close second, was won by a collection of objects made by Shirley Vincent, of Windsor Avenue, a little girl of seven years of age, who folded paper in the manner described in "Fun with Paper Folding," a book also in the children's department of the Library. Shirley's determination to work at each object in the collection until she had perfected every line resulted in the display that easily won the second prize. A final triumph was gained when under her mother's direction she typed the list of objects she had made.

There were two other prizes awarded in this contest, one to Olive Bates, of Narberth Avenue, and one to Ingeborg Thaysen, of Windsor Avenue.

The second contest was in pictorial maps illustrating imaginary journeys around the world taken by means of books. Of the seventeen maps submitted, the first prize was awarded to George Schroeder, of Dudley Avenue; the second to his sister Edith, the third to Dorothy Abbot, of Conway Avenue, and the fourth to Belle Lippincott, of Sabine Avenue.

The judges in these contests were Mr. George Wilson, Miss Anna MacKeag and Mrs. Thaddeus Bolton.

Savings Plan for Boys Arouses Interest Here

Endorsed already by many Main Line fathers, the unique savings plan for boys recently originated by a Merion father has gained additional interest as the result of publication in this paper last week of announcement of a contest centering around the plan. Booklets explaining the contest have been distributed and others will be sent on application by Tift, Laver & Company, Philadelphia.

Briefly, the plan calls for the boy to save each week some of his earnings, which are to be given him by his father for assuming a definite responsibility around the house, such as tending the furnace or lawn, or running errands. Deductions from the earnings are to be made voluntarily by the boy, for "crimes" of omission and commission such as "bad table manners," "not branching my hare," and "leaving the draft on," as one boy put it. Of the balance of the boy's savings, a record is to be kept, "just like father's," and systematic investment is to be begun.

"Why the Be His Pal plan would be good for me" is the title of 300-word essays or letters which are to be sent Tift, Laver & Company no later than May 18, as soon as the boys have had an opportunity to study that company's booklet. Prizes to be awarded are a \$25 first, \$15 second, \$10 third, \$5 fourth, and one hundred additional prizes.

Mrs. R. F. Tull, of Bala-Cynwyd, of the Community Health and Civic Association, has charge of the May Day program in Lower Merion township. The representatives from each of the four women's clubs are presenting literature in the schools and churches and urging the six-year-olds to be examined either by their family physician or at any of the clinics which are conducted by the Community Health and Civic Association at Bryn Mawr, Ardmore, West Manayunk and Oakmont. Miss Rose N. Ehrenfeld, the new director of the association, will give a talk at the clubs.

Gas House Heating

Announcing....

A SPECIAL LOW RATE

NOW you can banish heating cares from your home once and for all with the special low gas rate in your favor and with the opportunity to install clean, modern, trouble-free gas heating equipment... at a surprisingly low price.

In fact you may have the advantage of immediate installation for only a small amount down and no further payment until October 1st... five months from now. It will pay you well to investigate this splendid opportunity before making any definite plans for fuel storage for the coming fall and winter.

With gas house-heating equipment

you will enjoy the same cleanliness in your basement that you insist on having throughout the rest of your home. No odors... no soot... no ashes. No work or fuss for any member of the family. No waste space for fuel storage. Indeed, more space for workshop, recreation room or other suitable arrangement.

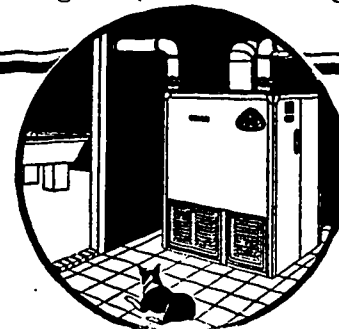

Come in today, or let us call and explain the advantages of gas heating for your home. You will be under no obligation to buy. We suggest, however, that you owe it to yourself to learn the convenience and economy of this type of heating with the special low gas rate in effect at the beginning of the heating season.

Investigate

the advantages of Gas House Heating... Compare it with other forms for comfort, convenience and economy... and determine for yourself what is the best step for you to take before deciding on your fuel storage this next season. It will require only a half hour of your time to get all the facts and figures. We'll gladly furnish them without charge or obligation.

Install Now . . . Pay Oct. 1st

If you decide to invest in Bryant Gas Heating equipment we will arrange to make the installation now on a small down payment and defer your next installment until October 1st. Thus you may enjoy comfortable, uniform temperature, automatically controlled, throughout the chilly days of spring and early summer, and your fuel problem will be satisfactorily and permanently solved.

Pension Body Seeks \$29,000 For Police

Fund Short That Amount, Letter From James Tells Contributors.

NEED IS POINTED OUT

The Police Pension Fund Association of Lower Merion township is now making its annual appeal to citizens of the community for support.

With the arrival of the fifth anniversary of the philanthropic organization, May 1, letters signed by Evan L. James, secretary, were mailed to supporters and contributors, informing them that the \$29,000 is still needed for the endowment fund.

"We are \$29,000 short of the endowment which is necessary for the immediate requirements," the letter states. "In view of this situation, may we appeal still further to your generosity and ask that you continue your support. We appreciate what you have already done and assure you if it were not a matter of great urgency this appeal would not be made."

"Our faithful policemen pay monthly dues, but to provide protections against old age and the risk of disability in such a hazardous occupation the officers and directors of the association must appeal to the humanity of our citizens. The vital necessity of the fund is shown by the fact that recently one officer was killed on duty, one died from the result of injury received on duty, and one retired because of age. You will see from this both the wisdom and the necessity for the pension fund which is the only possible means to alleviate the distress attendant upon these unavoidable events."

"We depend upon our policemen for protection every day. Your contribution will care for them when they are no longer able to serve you, and will be a great help in attaining the endowment which is indispensable for our immediate needs."

The letter is undersigned by a committee of forty-five prominent citizens, with Morris L. Clothier as chairman. The members are:

William L. Austin, Albert C. Barnes, John Barnes, D. Webster Bell, Edward W. Bok, E. E. Burlingame, Thomas Chadwick, Isaac H. Clothier, Jr., Alfred M. Collins, William H. Decker, Cardinal Dougherty, Van Horn Ely, William G. Frankentfield, Benjamin O. Frick.

Albert R. Gray, E. Earle Haines, Richard J. Hamilton, Philip Hart, Alba B. Johnson, L. H. Kinnard, Patrick J. Lawler, Robert W. Lesley, Walter H. Lippincott, Benjamin H. Ludlow, Edward J. Lyons, Frank H. Mancill, William T. McIntyre, John H. McClatchy, Michael J. McCruden.

Effingham B. Morris, Charles V. Noel, Henry G. Pearce, Fred C. Peters, J. Howard Pew, A. W. Pickford, Charles S. Powell, Horace W. Smedley, Charles P. Smith, William H. Sherwood, Frank H. Sykes, Fletcher W. Stites, Herbert J. Tily, A. D. Warnock and Parker S. Williams.

In discussing the appeal, Superintendent of Police Smith said:

"The Police Pension Association depends entirely upon the \$12 a year dues paid by the patrolman and upon the voluntary contributions of citizens. We do not hold benefits, sell tickets or otherwise seek to raise money by the inference of intimidation."

"Just as the annual appeal is made in a dignified way, so is the association managed. Offices of the association are held by prominent citizens, as well as by members of the police department, and all business of the organization is carried on in a practical and open way."

"Pensions are now being paid to three persons, the widows of Patrolmen Edwin A. Fletcher and John Casey and to Patrolman Thomas Pow-

Collection Next Week

Next week will be the only collection in May; the collection will be made on the regular days for the different streets. Beginning this month and hereafter until fall the collections will be made during the first week of each month.

ers, retired.

"The importance of a pension fund for men engaged in work as dangerous as police work was clearly shown only several weeks ago when Patrolman Hugh Waters was shot down by a robber in Merion. Hazardous situations are encountered by policemen nearly every day and there is no telling when they may suffer disability or death."

An endowment fund of \$100,000, the interest of which would meet all the demands at present being made on the fund, is being sought by the association. That sum is still short the \$29,000.

Officers of the Police Pension Association are Richard J. Hamilton, president; Charles P. Smith, vice president; Morris L. Clothier, vice president, and Evan L. James, secretary. The trustees are Richard J. Hamilton, Morris L. Clothier and S. Earl Haines and the directors, Richard J. Hamilton, Albert C. Barnes, Morris L. Clothier, S. Earl Haines, Henry G. Pearce, Charles P. Smith, William F. Wintz, Wilmer Winner and William Carlin.

League Women Are Guests of M. L. Group

Lower Merion Luncheon Hostesses to Voters' League at Whitemarsh.

OPINIONS ARE URGED

About 300 prominent women attended the annual luncheon of the Montgomery County League of Women Voters held Tuesday at the Whitemarsh Valley Country Club, Chestnut Hill. The Lower Merion Township League was the hostess for the affair, and several of its members arranged the details.

Mrs. M. W. Montgomery, chairman of the Montgomery County League, presided and introduced Dr. Frank Bohn, feature writer for the New York Times, who was the principal speaker of the afternoon. He chose as his subject "Economic Aspects of International Relations." Dr. Bohn traced the money capital from long ago down to the present New York City. He explained the four basic elements in Empire Development, and concluded his interesting talk with the thought that empires can only grow if built in the hearts as well as with a desire for monetary gain.

Miss Gertrude S. Ely, of Bryn Mawr, a former member of the Lower Merion League and now the chairman of the Pennsylvania State League of Women Voters, gave a forceful and humorous address. She stressed the idea that every member of the League should have a definite opinion and know why she holds that opinion.

"Have a background for your views and do not be afraid to express them." She told also of a discussion between three men, one a Democrat, one a Republican, the third had no party affiliations. The last was "looking for a good second party to join, because the Republicans and Democrats have seemingly formed a companionate marriage!"

Mrs. Samuel McCreery, Merion, vice chairman of the Lower Merion League, was general chairman; Mrs. John Y. Huber, of Wynnewood, was in charge of the menu, and Mrs. O. F. McCormick, Ardmore, was in charge of tickets.

Rotary Director

Ralph S. Dunne, Narberth coal dealer, who was elected a director of the Bala-Cynwyd-Narberth Rotary Club at its recent election of officers.

Republican Women Leaders Will Address L. M.-Narberth Council

Two prominent Republican women will address the open meeting of the Lower Merion-Narberth Council of Republican Women to be held 2:30 P. M. Thursday in the Bala-Cynwyd Woman's Club, Levering Mill Road and Bala Avenue, Cynwyd. Both are directors of the State Council of Republican Women, and Mrs. Hannah W. Durham is one of its organizers.

Mrs. Durham was vice president of the State Committee during the last election, and has been alternate delegate at the last two Republican conventions. She will speak on "Republicanism."

Mrs. Humbert Borton Powell, Devon, is Welfare Chairman of the Chester County Council. She has chosen as her topic a review of the 1929 State Legislative Session.

It is expected the meeting will be presided over by the president of the Lower Merion-Narberth Council, Mrs. Henry Tatnall Brown, Jr., of Haverford.

Other meetings of the council will be held later on in the year in other parts of the township and in Narberth.

Will Give Musicales

The Main Line School of Music announces an informal musicale to be given Thursday evening, May 9, at 8:15.

The String Ensemble of the Bryn Mawr Music Study Club with Josephine Gemberling as soloist, will entertain the guests. The members of the ensemble are Miss Jessie Allen Page, Mrs. S. B. Coggeshall, Miss Josephine Gemberling, Mrs. Howard Longstreth, Mrs. J. R. Mickle, Mrs. R. W. Brown, Mrs. Donald E. French, Mrs. R. Paul McKinley, Mrs. Carroll B. Nichols and Miss Mary C. Smith. Miss Page is president of the club.

Those who will assist the faculty of the school to receive are Mrs. Richard J. Hamilton, Mrs. Walter C. Janney, Miss Jessie Allen Page, Mrs. C. C. Savage, Mrs. Henry S. Williams and Mrs. Adolph Vogel.

51 Honor Students on Junior High Roll

Temple Professor Addresses Student Body at Quarterly Event.

TWO WIN DISTINCTION

Dr. Ralph Owens, of Temple University, was the speaker at the Honor Day exercises of the Junior High School, Ardmore, Wednesday morning, where fifty-one students were given places on the honor roll for the third quarter.

Dr. Owens talked entertainingly on the life of John Muir, famous scientist and explorer.

The boys and girls who attained an average grade of 90 per cent. or better for the third quarter of the school year are:

Elizabeth Smedley, William Wren, Richard Heckel, Katherine Lukens, Virginia Agnew, Roger Watson, Lois Rinehart, Crozer Ludlow, Margaret Fox.

Freda Miller, John Lawser, Elinor Palsir, Katherine Fox, Alice Martin, George Lutz, Helen Bottoms, Elizabeth McGarvey, Russell Wood.

Irma Snyder, Olaf Sivertsen, Margaret Patterson, Elfrieda Landis, Juliet Shaw, Helen Aiken, Robert Lippincott, Jane Dunham, Nancy Bishop. Edward Madara, Harry Paxton, Hugh Speed, Edith Diehl, Dorothy Maier, Emily Titus, Alice Tyson, Bruce French, Arlene Dill.

Wendell Alexander, Elinor Schoff, Julia Markle, Mary Sue Westcott, David Thomas, William Macan, William Arnold, Grace Werner, Alice Edwards.

Nancy Gres, Robert Hutchinson, David Wilson, Mary McNichol, Mary Jean Poorman.

Grace Werner and William Macan also received their school monograms for being on the honor roll for seven times. They are the first two in the history of the school to attain this honor.

make it a practice to get Mr. Goldsmith at least once a year to talk to the boys and girls on the subject of proper food and health.

Weather Hits Average

Following extremes in warm and cool weather, the last seven-day period has been the first normal week in April. Temperatures from April 24 to 30 varied but few degrees, with a mean of around 55 according to Charles Decker, Main Line weather observer. The precipitation, usually high in April, was interspersed with several clear days, although the rain on Wednesday postponed several athletic events in this section.

Lockwood and Mandes Chosen 'Dual Captains'

Lower Merion Senior High's basketball team will have two captains for its 1930 season.

Monday evening at a banquet given to the members by Coach Anderson at the Penn A. C., the squad elected Warren Lockwood and Albert Mandes after a deadlock in the voting. Each man received five votes, whereupon the election was made unanimous for both. The decision will probably be a happy one, as both of these boys are well liked by the members of the team and by their schoolmates.

Lockwood was high scorer and won the Public Ledger trophy for greatest number of field goals in the Suburban League two seasons ago, and was runner-up to Richards, of Norristown, this year, the latter scoring one more field goal during the season than did Lockwood.

Mandes is undoubtedly the best defensive man in the suburbs and also can score from the floor, as his 90 points in 15 games testifies.

The boys probably will act as captains together throughout the season without alternating in any of the games.

Overbrook Hills to Have Very Modernistic House

A house designed on modernistic art lines, believed to be the first in America, opened recently in Overbrook-Hills-in-Merion.
The approach to the house is by way of a ramp effect on City Line Avenue, one mile west of Overbrook Station. It is located on a hillside. Although modernistic art was the inspiration of its design, the home lines have been gracefully drawn, with only occasional suggestions of the sharp angles and receding proportions that characterize the present trend of art in continental countries. The exterior has unusual treatment of applied designs on the front wall and on the chimney stack a thirteen-foot peacock symbol is built into the wall. The centre member of the home is a cone-shaped tower, rising from within a flower garden bounded by a modernistic wall. The garage is built to the rear of one of the second-story bedrooms. The dining room is elevated five feet above the living room and is reached by a divided staircase with hammered iron railings. The ceiling of the dining room is done in three levels.
A modernistic silver case is lighted by hidden lamps and a modernistic design is woven through the leaded glass of the dining room, through which a terraced garden is viewed. E. Allen Wilson, architect, designed the home in collaboration with McWilliams & Meloney, builders. J. B. Van Sciver Company has designed special modernistic furniture and draperies which will be on display indefinitely.

Show Increased Interest in Children's Department

Several recent gifts to the Library reveal what a widespread interest there is in the children's department. One of the most generous contributions to that department was made last week by the Reading Class of the Women's Community Club, which all during the winter has followed a prescribed course in creative reading under the able leadership of Mrs. W. C. Newman, of Anthwyn Road. This

group of women raised a fund of \$25 to give to the Library to enable it to augment its collection of books on story-telling to use in connection with the Story Hour, which has proved so popular. The books are now on display at the Library and may be examined by any one interested.

Another gift of considerable interest is that of Mrs. John B. Brooks, of North Narberth Avenue, who, following her annual custom, gave \$5 in memory of her mother-in-law, Mrs. Susan D. Brooks, to be used in the purchase of books for the children's department. These books are also on display.

And to Dr. Thaddeus Bolton, of Wayne Avenue, the Library is indebted for the money he received as a prize for his wastepaper basket entered in the recent Better Homes Contest. At Dr. Bolton's request this money will be used to purchase another volume for the collection of occupational books used by the children in their part of the same contest.

Motor Crash Fatal to Bryn Mawr Man

John S. Stroup, 24, Dies of Injuries Following Collision.

OTHER AUTOIST IS HELD

John S. Stroup, 24, of 887 Old Lancaster Road, Bryn Mawr, died Monday in Bryn Mawr Hospital of injuries received Sunday afternoon in an automobile collision at Sabine Avenue and Wynnewood Road, in Narberth.

Following his death, William L. Hirst, 19, of Old Railroad Avenue, Haverford, whose car crashed with the one driven by the victim, was re-arrested before Magistrate Stillwagon at the police station in Ardmore and held in \$1000 bail for coroner's hearing.

Hirst, son of William H. Hirst, prominent Main Line real estate dealer, had been arrested after the accident and held in \$500 bail to await the outcome of the victim's injuries.

Stroup received a fracture of the skull and other injuries, while Hirst escaped with minor bruises and lacerations. Stroup's car was wrecked.

The funeral of the victim was held Wednesday morning with Solemn Requiem Mass at Our Mother of Good Counsel Church, Bryn Mawr. Burial was made in St. Denis' Cemetery. John S. Stroup was the son of R. M. and the late Mrs. Winifred Stroup. He was a member of Bishop Kenrick Council, No. 2256, Knights of Columbus.

Ayrshires Rank High

During March the one hundred and thirteen Ayrshires owned by Penshurst Farm, Narberth, ranked among the leading producers in the United States on their average production of 808 pounds of 3.81% milk, 30.70 pounds of butterfat, tested under the

Junior High Music Night Draws Audience's Plaudits

Lower Merion Junior High School's annual Music Night was presented to the parents and friends of the student body last Friday evening in the school auditorium. The program was arranged and presented by Miss Mary Collins, Director of Music in the Junior High School, assisted by Miss Anne Boland, who directs the Harmonica Band.

The program opened with three numbers by the school orchestra of twenty-four pieces, followed by baritone solos by Herbert Young and Robert Braid. The choir sang three numbers.

The Harmonica Band was spic and span in new uniforms and was roundly applauded. James Selby and Robert Groves played harmonica solos. Dorothy Fitzmaurice captured the hearts of the audience with two toe dances.

A boys' chorus of forty voices and a cantata, "Greeting the Gypsy Queen," by a group of ninth grade girls, completed the program. Anne Francis, Nancy Bishop and Marguerite Timberlake sang the solo parts in the cantata.

rules of the Ayrshire Herd Test, according to Advanced Registry Superintendent W. A. Kyle, of the National Ayrshire Breeders' Association, at Brandon, Vt.

The outstanding production for an individual in the herd was that of Penshurst Snowbird, 2d, a five-year-old, that produced 1881 pounds of milk, 75.05 pounds of butterfat. Other commendable yields were recorded for Penshurst Kate Maple, a three-year-old, that produced 1910 pounds of milk, 68.19 pounds of butterfat; and Penshurst Kate Maple, a three-year-old that gave 1616 pounds of milk, 63.99 pounds of butterfat. Penshurst Belleflower made the good yield of 1628 pounds of milk, 62.68 pounds of butterfat, as a two-year-old; and Penshurst Keepsake, a three-year-old, produced 1324 pounds of milk, 60.24 pounds of butterfat.

SO THEY SAY

Any career seriously undertaken threatens to narrow the range of one's interests, to diminish the scope of one's sympathy, and to make one the victim of routine. —Charles A. Bennett.

In time of peace we must never neglect the possibility of war. —Yutaka Hibino.

Life to most men is a monotonous succession of jobs and days, of moderate pleasures and passing pains. —Paul Hazard.

We have multiplied the powers of our hands and feet and our eyes and our ears that we might achieve liberty and suddenly we found ourselves at the mercy of those inanimate beings who had been created to serve us. —Hendrik Van Loon.

The worst sin towards our fellow-creatures is not to hate them, but to be indifferent to them: that's the essence of inhumanity. —George Bernard Shaw.

Life must always be a great adventure, with risks on every hand; a clear-sighted eye, a many-sided sympathy, a fine daring, and endless patience, are forever necessary to all good living. —Havelock Ellis.

year, or Red Course, the candidate may choose infantry, cavalry or field or coast artillery or signal corps; continuing in the selected branch throughout the third year, or White Course, and the fourth year, or Blue Course.

"Upon graduation the candidate is eligible for a commission as Second Lieutenant in the Reserve Corps. If upon completion of the encampment the boy decides that he does not wish to attend the following year, he is under no obligation to do so, but on the other hand, if he does want to continue, he must enroll again for the next year. All necessary expenses are paid by the Government, and a complete uniform and bedding is provided."

Procurement for Bala-Cynwyd, Merion and Narberth is under Lieutenant DeLong, from whom further information may be had upon request.

Last year, according to Lieutenant DeLong, many late applications of young men from the Main Line were rejected because the quota at the camps had already been filled. He is for that reason commencing his enrollment campaign early this season.

Sports in Brief

With four straight victories Episcopal Academy holds undisputed first place in the Interacademic League.

Merion Cricket is in first place in the Women's Interclub Second Tennis League by virtue of a 6-1 victory over Philmont. The Haverford team is composed of Miss Adelaide Jefferys, Mrs. J. Wier Sargent, Miss Esther Daly, Mrs. Churchill Williams, Jr., and Mrs. Ludwig Lewis.

George Munger, Episcopal Academy, scored fifteen points in his track team's 55½-43½ victory over Germantown Academy. He took first in the pole vault and broad jump and tied for first with Gaul, a teammate, in the high jump. In the century sprint, MacIntyre, Germantown, and Freihofer, Episcopal, ran a dead heat, but Freihofer won the 220 and quarter-mile events. A feature was the shotput heave of Al Means, Episcopal, who tossed the iron 45 feet 8 inches.

Haverford College piled up an overwhelming margin of victory in the triangular meet with Delaware and Ursinus. Captain Ensworth won the 100-yard dash and 220; Mawhinney outclassed the field in the half-mile, and George and Bob Edgar and Newman Shirk gave Haverford a triple tie by holding hands at the finish of the mile. Altogether Haverford won nine first places out of a possible fourteen.

Haverford College's tennis team enjoyed two clean sweeps last week, defeating both Stevens and Villanova by scores of 7-0.

Many Main Line residents turned out to watch the Penn A. C. 15,000-meter walk on Saturday over the course from the club to Bryn Mawr and return. Mack Weiss, Newark A. C., father of four children, won the event in 4:52.45.

Cynwyd, last year's champion in Division A, Middle States Tennis League, defeated University Courts, 9-0, in the opening match of the season. Playing at Cynwyd, Harold Colborn, No. 1 for the champions, disposed of Gabe Lavine in straight sets. Johnny Haynes, Herb Fischer, Norman Shidle, Harold Custer and Harry Simons, playing in the order named for the Cynwyd team, clinched their matches also in straight sets.

Henderson Supplee pitched a two-hit game in Haverford College's 2-1 victory over Hamilton College at Haverford Saturday. He fanned seventeen batters.

While his teammates were easily winning the Haverford-Delaware-Ursinus track meet, Joseph H. ("Egg") Morris, Jr., journeyed to Columbus, Ohio, where he placed fourth in the shotput and third in the discus throw in the Ohio State relays. Morris heaved the shot 44 feet 10½ inches and threw the discus 143 feet 7½ inches.

Flower Shop Window Is Scene of Mystery

Employing furnishings of the early part of the nineteenth century, the window of the Flower Shop in its Mother's Day dress presents a striking contrast to the displays of modernistic furniture one now sees on every hand. The window has been transformed into a room of that period and as such has captured the attention of numerous passersby.

Some of the articles may prove puzzling to the present generation. In the right hand corner, for instance, there is an odd-looking piece some-what the shape of a large wooden paddle. What could our great grandmothers have used this for? A beautiful plant will be awarded the first visitor to the Flower Shop who correctly answers this question.

Singer Killed

Frank Brosius, tenor soloist at the Baptist Church of the Evangel for over a year, died in a Philadelphia hospital last week as the result of injuries received in a grade-crossing accident at Colmar. He lived at 4920 Walton Street, Philadelphia.

FASHION FLASHES

By K. M. Sura.

At the races the horses are cast into the shade by the splendid array of fashionable women in new gowns. The dressmakers vie with each other, particularly at this season of the year, sending their newest and best creations to the various races, tennis matches, golf tournaments, or any other outdoor events that attract the fashionable crowd, either here or abroad.

At a recent meet we made note of a group of smartly-dressed young women. They were interested watching the horses, while we were interested watching them. Whatever the season may be, the sport frock always holds the spotlight. Whether you are a participant in the games or a mere onlooker, you are unquestionably well dressed if you have chosen the sports model.

Of the group just mentioned, the sport frock predominated, and many eyes were turned toward the wearer admiringly. A white French flannel blouse and skirt, the blouse of hip line length, having a square neck, trimmed with a two-inch band of lacquer red flannel, a flat pleat down the front of the blouse, and two bands around the bottom of the blouse, of the same red flannel, and the same width. The skirt pleated in the front, plain in the back and hanging from a lining bodice. The sleeves long, and a flat band of red forming the cuff.

A full length cape of white French flannel was thrown back over the shoulders, falling into graceful folds slightly longer in the back, and a bit below the hem of the skirt. A white felt hat, of the popular Alfredo model, which boasts a small flattering brim slightly smaller in the back, which is being worn more and more by smart American women. The hose were the nude shade, the only shade to wear with the white kid shoes, which were of the new Spanish heel type. The bag of white suede was carried daintily by the white chamois slip-on glove.

AVOID CURIOSITY CALLS

They Tend to Disrupt Business at the Telephone Exchanges.

A plea to telephone subscribers to refrain from placing 'curiosity calls' following the sounding of the fire siren was made today by George K. Erb, district manager for the Bell Telephone Company of Pennsylvania in the Main Line section. He declared that such calls tend to disrupt emergency telephone service in Ardmore, Bryn Mawr, Cynwyd, Wayne, Malvern and other towns along the Main Line.

"The central office force in each town must function with the utmost speed and efficiency when a subscriber reports a fire to the telephone company," explained Mr. Erb. "De-

FRANK ZENTMAYER

Frank Zentmayer, for more than 30 years a resident of Narberth, died last Saturday at his home 125 Windsor Ave., in his 67 year. Funeral services were held privately Tuesday afternoon. Mr. Zentmayer is survived by two sisters, the Misses Emma and Mary, and his brother Dr. William, all of Narberth.

Mr. Zentmayer who was active in Borough affairs, served as financial secretary of the Fire Company for many years. In 1888 he succeeded to the Optical business of his father, Joseph, in which he continued until his death.

The business was especially noted for microscopic and photographic lenses, and micrometer rulings.

Fete Will Be Held for Service Club

Many Main Line Women to Take Part in Program on Coles Lawn.

An In and Outdoor Fete will be held at "Alscot," the residence of Dr. and Mrs. Stricker Coles, Fishers Road, Bryn Mawr, on the afternoons of Friday and Saturday, May 24 and 25. The fete will be for the benefit of the United Service Club of Philadelphia, an organization for the accommodation and service of the enlisted men of the Army, Navy and Marine Corps. Committees of officers of the different branches of the service are co-operating with the civilian sponsors of the club to render the affair a success. An extensive and varied program has been arranged, which will include many features of unusual attractiveness and interest.

The United Service Club is located at 901 Clinton Street, Philadelphia, and has been operated by a number of active and prominent women since the World War.

The program each day will extend from 2:30 to 7 in the afternoon. The Coles residence, one of the show-places of the Main Line, will be elaborately decorated for the occasion. Booths will be arranged outdoors after the manner of an English County Fair. Flowers, plants, vegetables and produce will be exhibited. There will be refreshment booths conducted by staffs of aides in costume. There will also be a show of pets and competitions. Chances will be issued for a number of thoroughbred animals.

Through the co-operation of Colonel David D. Porter and Major D. S. Barry, of the Marine Corps, an exhibition drill by a company of United States Marines has been arranged and through the courtesy of Commander F. V. McNail, Aide to Rear Admiral Latimer, a detachment of bluejackets will give an exhibition of naval drill, calisthenics and stunts. The loan of official motion pictures has been arranged, showing Brigadier General Smedley D. Butler and the U. S. Marines in China, which will be shown a number of times during the afternoon.

lay of a minute or two may be a matter of life and death, or property damage amounting to thousands of dollars.

"I am sure the public can readily understand that the making of purely curiosity calls to ascertain the location of a fire, seriously hinders this vitally important phase of telephone service.

ANNOUNCING the APPOINTMENT of

The NARBERTH ELECTRIC SHOP

as Authorized Dealer for

The New SPARTON EQUASONNE

Richer—Finer—still more Amazing

NOT just another radio but a new musical instrument... new in conception... new in principle... new in fundamentals that are revolutionary... and magnificently new in power, range and richness of musical expression. In the Equasonne Sparton presents a new radio development of a genuinely sensational nature that will sharply affect the whole radio industry.

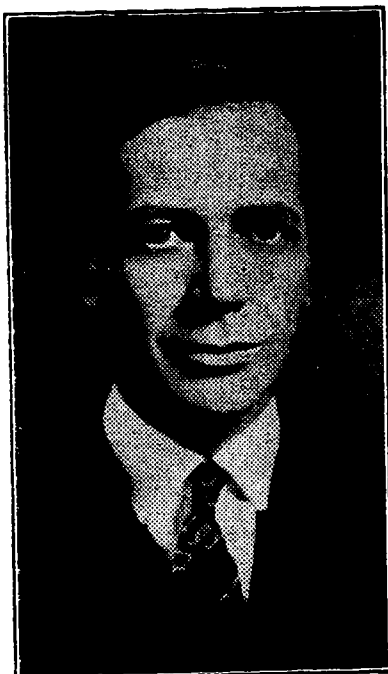

Coming from an organization that for twenty-seven years has been numbered among the world's leaders in the manufacture of fine electrical equipment, this announcement is one of consequence. Coming from the makers of the distinguished SPARTON radio instrument, it is still more significant.

Electrically the Equasonne is characterized by new developments that bring within its range a wonderland of radio programs from 200

meters up that have previously been almost impossible to receive clearly. It is distinguished, too, by a PRE-SELECTOR principle of tuning that gives marvelous stability and steadiness to the radio impulses before amplification. A new principle of amplification is employed, marvelous in its simplicity, but producing a smoothness... a SURENESS... a perfect fidelity of every instrument or voice that has astounded all listeners.

Musically the Equasonne elevates radio reception to magnificent new heights. The mighty climax of the full symphony orchestra... the deep resonance of the pipe organ... the captivating rhythm of dance music... the inspiring strains of the full military band! Choose your favorite type of program and your delight in the fidelity with which the new Sparton Equasonne reproduces it for you will be boundless.

Haverford May Get Middle Atlantic Meet Permanently—21 Teams to Arrive May 24

The annual championship track and field meet of the Middle Atlantic States Collegiate Athletic Association, scheduled this year for May 24 and 25 at Walton Field, Haverford College, possibly will be held at the Main Line institution every year hereafter, according to John R. Hoopes, Alumni Secretary of Haverford.

Selection of a central permanent meeting point has been under consideration by the association for several years and Haverford College, because of its strategic geographical location, its first-class field and other advantages, has been tentatively selected as the all-time place for the championships.

After the meet last year, also held at Walton Field, it was agreed to return to Haverford for the next two years, 1929 and 1930, to see if a potential following could be built up. If the attendance reaches the desired figure, there seems to be no doubt that Haverford College will be the permanent site of the annual event.

Arrangements for this year's meet, only two weeks off, are virtually completed, according to Mr. Hoopes, who, in addition to being secretary-treasurer of the athletic association, is also serving as general manager of the 1929 contests.

Coach A. W. (Pop) Haddleton, of the Haverford College track teams, and Robert J. Johnston, superintendent of buildings, have been appointed to prepare grounds and equipment for the meeting, while Dean H. T. Brown and N. T. Folwell, student manager of the track team, will plan the reception and entertainment of the hundreds of competing athletes.

The twenty-one member colleges of the association, all of which will send teams to the championships, are Alfred University, Bucknell University, University of Delaware, Dickinson College, Drexel Institute, Franklin and Marshall College, Gettysburg College, Haverford College, Johns Hopkins University, Juniata College, Lafayette College, Lehigh University, Manhattan College, Muhlenberg College, New York University, Rutgers University, Swarthmore College, Union College, Ursinus College, Washington College and Washington and Jefferson College.

Ursinus will compete for the first time, while New York University will

participate for the last time, having exceeded the requirement regarding the number of students attending the member schools.

The meet events will include 100-yard dash, 200-yard dash, 440-yard dash, 880-yard dash, mile, two-mile, 120-hurdles, 220-hurdles, broad jump, high jump, pole vault, shotput, javelin and discus. The trials will be

held on Friday and the finals on Saturday.

Twice before 1928 the meet was held at Haverford, in 1925 and in 1915. The other meets of the association were held at various colleges in the East. The first annual competition of the association was held under Lafayette's auspices on May 17, 1913, with ten colleges participating.

DEPENDABILITY, SATISFACTION AND HONEST VALUE

Dancing, Baseball, Basketball Frowned Upon by Haverford Group Fifteen Years Ago

As recently as 15 years ago Quaker traditions were so strong at Haverford that dancing at college social activities was frowned upon and the organization of a baseball or basketball team was regarded as unheard of by students and alumni alike, according to a survey of the early columns of the Haverford College News made last week.

An editorial in the November 3, 1913, issue of the "College Weekly," now called the "News," denounced dancing, after a questionnaire had been employed to ascertain the attitude of the undergraduates on the practice. The editorial said:

"The college will probably declare for one dance a year. . . . If there is to be dancing we want it right, perfectly open and above board. There is no cardinal sin in this sort of dancing. It ought, in all fairness, to be sanctioned by the college authorities as one avenue of social intercourse for the college."

"Every one should gloom absolutely on dancing on the sly, behind the screens, which has occurred in the past and near past," it continued. "When the Juniors decorated the Gym with a 'sky' they did not intend it for a screen behind which to dance. . . . When some tripping toe dislodged a lampstand which came crashing down from the balcony within a hair's breadth of a lady's head, dancing that evening took a very serious turn. If the lady had been struck she would have perished on the spot. We might also mention dancing on the lawn Class day. To begin dancing so close upon the departure of President Sharpless for the Orient did not look very well, to say the least. . . . Just because we know how to dance is no excuse for exhibition on every occasion. To dance on the sly behind the screen, when authority sentiment runs counter, is plain child's play with small potatoes."

"Whether the Juniors can obtain a dance after they have been assured of the college sentiment is a question to be decided by them and President Sharpless. If he still leaves it with the class to weigh their wishes and desires with the wishes and desires of certain members of the board of managers, we expect them to take the stand of former classes. If the time has come when no one objects, we are with those who rejoice."

In the next issue the editor apologized for taking such a radical position as to support dancing, by explaining that this was meant merely to be a program of social activities which included a reception by the faculty for freshmen, a play by the Cap and Bells Club, and the Senior Class day exercises and step-singing.

The prevailing attitude is summed up in the following words: "Faculty teas have their important service. Junior day and Class day have even a greater service, yet the fact remains that men who do not live around Philadelphia, who are not proverbial 'fussers,' who have nothing to draw them out, do not have the social thrust upon them."

The dance was not the only institution which suffered the opprobrium of editorial disapproval. In the midst of topics so familiar, such as freshmen hazing, the Honor System, student government, and other subjects frequently encountered on the modern college editorial page, we find condemnation of proposals to organize baseball or basketball teams.

When the question of basketball came up in 1909, it was quickly met by a storm of adverse criticism. One anonymous opponent, who signed himself discreetly "A. L. Umnus, '02," gave vent to his indignation in a letter to the editor:

"I also wish to register my protest as an alumnus interested in Haverford athletics against there being established any official basketball team. During the four years that I was there, there was not one student who would have stood for such a team, and I have always prided myself that basketball and Haverford were far separated from each other. I am sur-

prised that any of the undergraduates should dream of having a basketball team. Of course, this is only my personal opinion, and I may not be abreast of the times, but nevertheless I want to speak now before it is too late."

The same opposition was encountered by those who attempted to organize a baseball team. This idea met with an editorial condemning in no uncertain terms the proposal to take men away from cricket, which with football, soccer and gymnasium constituted the sports program at Haverford.

The editor stated: "The other day a meeting was held by a number of students, the object of which was to arrange a program for baseball games, to be played on Merion Field."

"In a way this is a splendid idea."

But in another respect this is one of the most harmful things that has been started for some time at Haverford. Among the plans of these ballplayers is that of organizing a nine, and playing games with outside teams, under the name of the Walton Field Club. This cannot help taking men from cricket. And, sooner or later, the real name of the club will be forgotten, and there will appear in all the papers the heading, 'Coopertown High, 18; Haverford College, 1,' or some equally

startling notice.

"The question of having a regular baseball team has been brought up so often, and voted down so regularly, that there appears to be need to give arguments against it. But this seems like a direct attempt to establish baseball here at Haverford, and sound the death-knell for cricket, for which we are famous both in this country and abroad, and which we will be able to play long after we are too old to properly curse a baseball umpire."

Awarded for Quality!

Kew-Bee Bread Proves Excellence in Nation-Wide Competition

WE ARE mighty proud of the Honor Award pictured above. It was presented to us by Quality Bakers of America, of which organization we are a member, because our bread, after exacting tests, proved to be of a superior Quality.

You, too, should be proud that this community can boast of a loaf of bread whose Quality is worthy of this award—a loaf of bread that won over many others of excellent quality, all submitted by the other Quality Bakers of America. When you stop to realize that the membership of this organization of independent wholesale bakers is selected from the foremost bakeries in the

United States—bakeries operated by conscientious, progressive men and women—the Honor Award becomes doubly important.

Only such institutions whose plants and products measure up to the most exacting standards of this organization are accepted for membership.

Only such institutions who are continually striving for Bakery Perfection, using the best ingredients, most expert and skilled help, and most modern and sanitary methods, can remain members of this organization.

To achieve leadership among such a splendid group is indeed a final proof of quality!

Dean Receives Decoration

Prof. Eunice Morgan Schenck, head of the department of French, Bryn Mawr College, and recently appointed dean of the Graduate School, was decorated recently by the French Government and elected an officer in the French Academy.

The decoration, conferred at the college by Rene Weiller, French Consul in Philadelphia, who lives on Montgomery Avenue, Bryn Mawr, is in recognition of Professor Schenck's services in spreading French culture and also for her work in raising funds to purchase books for the American library at the Sorbonne.

THE REGISTRY ASSESSOR

His function, methods and significance are explained by Mrs. Conyers Read, Committeewoman, Rosemont district.

Although the Primary Election is not held until September, the business of getting registered begins in May when the Registry Assessor starts his rounds.

It should be remembered that "Personal Registration," so-called, does not prevail in Montgomery County as is the case in Philadelphia. Readers of Philadelphia papers are very likely to confuse the two systems. No Montgomery County resident needs to bother about "Registration Days" in Philadelphia. Voters in Montgomery County are registered at their own homes by the Registry Assessor (who is one in every voting precinct), who makes his rounds beginning "the first Monday in May or as soon thereafter as may be."

The Assessor is required to make but one call at each house in his district and in case a voter is out it is the Assessor's duty to leave an enrollment blank. It is the voter's duty to fill out this blank and to return it to the Assessor on or before the sixty-third or sixty-second day before the Primary (roughly speaking about two months before).

The time allowed the Assessor to make his enrollment varies somewhat with the size of the district and is determined by the County Commissioners and not by law. Twenty days is the time limit and all lists must be complete by the fourth Monday in May. The Assessor's first duty, after his original list is complete, is to make a copy of it and to hang this copy on the door of the local polling place on or before the fourth Monday in May.

Here a voter may inspect the list to see that his or her name is properly entered and his or her party preference correctly recorded.

Not infrequently voters arrive at the polls on election day and are indignant to find their names missing from the Registry List, or no record of their party choice. Let all voters bear in mind how many opportunities are given them to make certain that they have been properly registered.

The Assessor is required to sit in person at the polling place on the sixty-third and sixty-second days before each Primary and General election from 10 A. M. to 3 P. M., and from 6 P. M. to 9 P. M. (Eastern Standard Time.) (Local papers give due publicity to these days.) He is there at the service of the voters to receive enrollment blanks, to make corrections on his lists, to add names that have been omitted and to enroll those who have moved into the district since he made his official rounds. (A two months' residence in a district is required for voting.)

Names on the Assessors' Lists will be found listed by streets or roads. It is the voter's responsibility to make certain that his or her name, address, and party are properly entered. Before a Primary this is of great importance because a Primary is a party contest and to take part in it every voter must have enrolled as a member of a party and so vote. (This party declaration will not bind him, however, in the General election.) No affidavits are permitted at a Primary. A voter's name with a statement of his political party must be on the Official Voters' List on a Primary Election Day.

After his two days at the polls, the Assessor takes his lists in their final form to Norristown (i. e., on the sixty-first day preceding an election), and there the names are transcribed alphabetically. Even yet there is a last chance to make corrections or to add a name. By an act of 1927 this can be done by applying to the County Commissioners between the sixty-first day, when the books go to Norristown, and the 10th day preceding an election.

The Assessor's lists when transcribed are sent back to the Judge of Elections, in each voting district, about four days before the Primary. They are sealed and cannot be opened before the morning of Election day and in the presence of the Election Board.

If, on Election day, a voter's name or the name of his party is found to be missing from the Official Voters' Check List and it can be shown that such was properly recorded on the Assessor's list as sent to Norristown, appeal can be made by telephone to the office of the County Commissioners, which office, in Montgomery County, remains open on Election day during the entire time that the polls are open. The Commissioners will recommend that the Judge of Elections accept the vote in question. The Judge, however, is not bound by law to grant this privilege, but may use his own discretion in accepting the recommendation.

The books in possession of the Committeemen and Committeewomen on Election day are transcribed under the direction of the party, and the Commissioners' office assumes no responsibility for errors in them.

When a resident of Montgomery County has been once enrolled as a member of a political party he remains so enrolled, unless he wishes to change his party, in which case he should apply to the Registry Assessor. EDITH C. READ, Committeewoman, Rosemont District.

Note—Acknowledgment is due to members of the Board of Commissioners of Montgomery County for their assistance in assembling this data, as well as to fellow-workers on the Election Laws Committee of the Montgomery County League of Women Voters.

Erb Requests Subscribers to Curb Curiosity Calls

A plea to telephone subscribers to refrain from placing "curiosity calls" following the sounding of the fire siren was made today by George K. Erb, district manager for the Bell Telephone Company of Pennsylvania in the Main Line section. He declared that such calls tend to disrupt emergency telephone service in Ardmore, Bryn Mawr, Cynwyd, Wayne, Malvern and other towns along the Main Line.

"The central office force in each town must function with the utmost speed and efficiency when a subscriber reports a fire to the telephone company," explained Mr. Erb. "Delay of a minute or two may be a matter of life and death, or property damage amounting to thousands of dollars."

"In the past, telephone users have called central offices during these emergencies and requested information relative to the location of the fire. They have been told that such information is not given by the telephone company. Many subscribers then have asked to be connected with the fire company, and if not successful in securing the information there, they have asked for the police department, thus making a total of three telephone calls during an emergency when each second was of inestimable value to the operators."

Women Gave Tea For State Leaders

A movement to stimulate activities of the Republican women of the State was inaugurated yesterday by Mrs. Henry Tatnall Brown, Jr., daughter of Governor Fisher and president of the Lower Merion and Narberth Council of Republican Women.

A meeting of the Lower Merion Council was held at the Women's Club at Bala. Mrs. Brown presided. At the close of the meeting there was a tea and an informal reception for Mrs. Hannah M. Durham, of Allentown, vice president of the Pennsylvania Council of Republican Women; Mrs. Mabelle M. Kirkbride, Representative in the State Legislature from Montgomery County; and Mrs. Robert Borton Powell, of Devon, member of the Board of Directors of the State Council.

Give Fine Performance of 'The Devil's Disciple'

An excellent performance of Shaw's "The Devil's Disciple," was given by the Hedgerow Theatre at Moylan-Rose Valley last Friday evening. Outstanding in the cast were William Price as Richard Dudgeon and Ferd Nofer as General Burgoyne.

Limitations of a small stage were overcome by the generally well-balanced cast, whose sincerity and naturalness were evident. The second act provided the dramatic high spot of the evening, especially the scene between Richard and Judith when the British soldiers came to carry off Judith's husband and took Richard by mistake, he not attempting to correct their error. The acting of William Price and Miss Isabel Muddock was particularly effective in this scene.

Ferd Nofer was a polished and gentlemanly Burgoyne and Alfred Rowe most satisfactory as swashbuckling Major Swindon. Other members of the cast were: Mrs. Dudgeon, Jean Krizter; Essie, Dudley Vaughn; Chrissy, Harry Bellow; Mrs. William Dudgeon, Mildred Lewis; Mrs. Titus Dudgeon, Miriam Phillips; William, Ferd Nofer; Titus, Kenneth Broomell; Lawyer Hawking, Alfred Rowe; sergeant, Kenneth Broomell; Brudenell, Julian Grady.

Tonight the Hedgerow Theatre will repeat "The Devil's Disciple," while Vellmoller's "Uncle Ben's Dreaming" will be presented Saturday night. Wednesday Milne's "The Romantic Age" will be the offering: Thursday, "The Doll's House"; Friday, "The Devil's Disciple," and Saturday, May 18, "The Doll's House."

Compare delivered, fully-equipped prices

See why Nash is lower!

ON the basis of quality, the Nash "400" should cost more than other cars in its competitive field. It actually costs less!

Nash engineers—one of the industry's outstanding engineering organizations—have created a finer motor car. They have developed the high-compression, 7-bearing motor to its highest point of perfection and power. The exclusive Nash outboard mounting of hydraulic shock absorbers doubles their effectiveness and creates supreme riding ease. And here is the "world's easiest driving control," in this new and finer motor car.

These are but a few of many "400" features of superiority.

Why then, is the Nash "400" lower priced?

Here is the explanation. Every Nash "400" is now factory-equipped with the accessories, purchased at factory savings and included in the factory price of the car. Bumpers, shock absorbers, spare tire lock and tire cover come with the car and are not added later as "extras," at retail prices.

You will find some dealers (not Nash dealers) charging as much as \$50 or \$60 extra for bumpers alone.

Compare the delivered, fully equipped price of any Nash "400" with the delivered, fully equipped prices of competitive cars. You'll see the saving!
